The CSP is the professional, educational and trade union body for the UK's physiotherapists. The CSP is a member-led organisation governed by an elected council.

Role

The chartered society of physiotherapy is a progressive, dynamic, member-centred organisation that aims to:

- lead and support all members in developing and promoting high quality innovative patient care.
- protect and further advance the interests and working lives of our members.
- raise the profile of the profession and influence the health care agenda.
- work openly in partnership to meet the diverse needs of both our members and their patients.
