

1. How many shifts for doctors, nurses or other medical staff were filled by locums and/or agency staff in each month of 2016 and both January and February 2017?

Royal Surrey County Hospital NHS Foundation Trust does not record this information centrally. The collation of this information would require the scrutiny of each individual rota and would therefore exceed the timeframe specified under Section 12 of The Freedom of Information Act.

2. How many of those locum/agency shifts (in each month) were a) medical (doctor) shifts; b) nursing shifts; c) midwifery shifts; and d) other clinical shifts? Please see above

3. In each of those 14 months, how many medical (doctor) shifts were filled by locums and/or agency staff in: a) A&E; b) acute medicine; c) cancer care/oncology; d) paediatrics; e) critical care (intensive care and high dependency); and f) geriatric medicine/older people's care? Please see above

4. In each of those 14 months, how many nursing shifts were filled by locums and/or agency staff in: a) A&E; b) acute medicine; c) cancer care/oncology; d) paediatrics; e) critical care (intensive care and high dependency); and f) geriatric medicine/older people's care? Please see above
